

LAMELLAR STRIPS - I 100

SUSPENDED CEILING

- Easy to assemble
- Full range of colours
- Customer choice

The suspended ceiling in lamellar strips "SERIE I-100", fast to lay down and easy to control, allow designer to personalize interiors by laying the lamellae orthogonally or sloping and a full range of colours.

Lamellar strips "SERIE I-100", are made of prepainted aluminium on both sides. Each modular element can be unhooked from its carrier and allows full accessibility for upper service maintenance.

LAMELLAR STRIPS - I100

SUSPENDED CEILING

The suspended ceiling in lamellar strips "SERIE I 100" creates an ideal screen for the volumetric reduction of the room and for the disguise of the upper service plants. It reflects uniformly both natural and artificial light.
